Internet Safety Day

On Tuesday the children took part in Safer Internet Day 2020. We gathered in the hall to learn about staying safe on the internet. Then we talked about possible dangers and what we should do if we thought something was wrong. We had a quiz at the end of assembly and rewards were given for good answers. When the children returned to their classrooms they completed internet safety activities. Remember - report / block/ ask for help.

Attendance

As part of the Romero Attendance Policy our Attendance Officer "Claire McElroy" will be making home visits to all children, if they are off for more than 3 consecutive days. If you are not in, then we will leave a "calling card" and it is expected that you call her back.
 MEDICINE - please remember if your child is on antibiotics or other medication, your child does not need to stay at home. Please bring the medication into school and we can administer the correct dosage throughout the day.

Reception Phonics Workshop

We will be holding a phonics workshop for reception parents on Tuesday 18th February in the school hall. The first session will be at 9:00 am and the second session will be at 3:15 pm. We hope to see as many of you as possible there as we will explain how phonics is taught at our school as well as tips and activities you can do at home to help your child. Phonics is an essential part of our curriculum that enables young children to read and write. We hope to see you there!
