Kingdom of the Creatives have been continuing to develop their music theory, timing and chord playing using the Boom Whackers. Plus, consolidating maths work on prime and composite numbers, also continuing with Kensuki's Kingdom.

The **Kingdom of the Superstars**

have been on a minibeast hunt today in the forest! They found butterflies, ladybirds, and bees! They completed a minibeast quiz back in the classroom and wrote sentences about their favourite minibeasts.

Can you go on a minibeast hunt in your garden or an outdoor area near you? Can you write some sentences about your favourite minibeast?

Kingdom of the Monkeys have made full use of the weather this week to enjoy being outside. We have made windmills, gardened and watered and written about The Blue Umbrella.

Kingdom of the Kool Kidz have been participating in a prayer service and reflecting upon friendships. We have thought about what being a good friend means and we know that we all show good qualities of this.

Magical Kingdom Magical Kingdom have done lots of work around the magic porridge pot we have had great fun acting out the story in the woodland area.

Ben and Holly's Little Kingdom In our little kingdom we have been learning about Goldilocks and the three Bears!! We have built a bear cottage with sticks and made some wanted posters. Please help us find Goldilocks, She ran off from the Bears house

Thank you to everyone who has opened their email in regards to **Year 5 Transition at Cardinal Wiseman**. You will find a FAQs on the Romero website.

'Baked Potato Bubble' have been working hard creating lapbooks for The Three Little Pigs. We will add to these weekly.

Jelly Tots Bubble have been very busy this week. We have been reading Goldilocks and the Three Bears. The children drew the main characters from the story and we acted the story out. We have also been looking at our numbers. The children have been ordering numbers and we went on a number hunt.

Parent/ Carer Survey – Your Voice Matters

At St Gregory's, we strive to provide a high-quality of education in which all our pupils reach their God-given potential; your view is important in providing feedback on how *well* we are achieving our vision. To this end, we are delighted to share our third annual survey to parents/carers across all eight schools within The Romero Catholic Academy between June 24th – July 15th.

Through this survey, we would like to know what you think is working well and what you would like us to improve. We have added some additional aspects in light of the current climate and we thank you for your patience as we have navigated the last four months.

The survey takes approximately 6 minutes to complete and comments are optional. You can provide your details or you may answer the questionnaire anonymously if you would prefer. As always, if you wish to raise a concern, there is a process to follow and we appreciate you bring it directly to the attention to staff at the school so we can resolve the matter in a speedy manner.

We would like to take this opportunity to 'thank you' in advance for completing our survey. The survey will be analysed at school level and across Romero as the results will be collated and viewed by the Board of Directors. We will share the responses and the key themes emerging in Autumn with a 'You said, we did' update in our newsletter.
